## First Annual Run Against Domestic Violence

Join us to raise funds for **The Day One Center Inc.**, a partnership of 28 Minnesota shelters that provide a safe haven for women and children escaping domestic violence. The event will take place at Delano Sports Center and include a scenic country ride, refreshments, food, entertainment, silent auction, and chances to win prizes (including two airline tickets).

Donation Boxes are available to place in your business to collect personal hygiene items for women and children in the shelters. Soap, deodorant, hairbrushes, combs, towels, toothpaste, toothbrushes, or similar items will be greatly appreciated.
